

Directions to ANGLESEY OUTDOORS

We are located one mile from the end of the A55 in Holyhead.

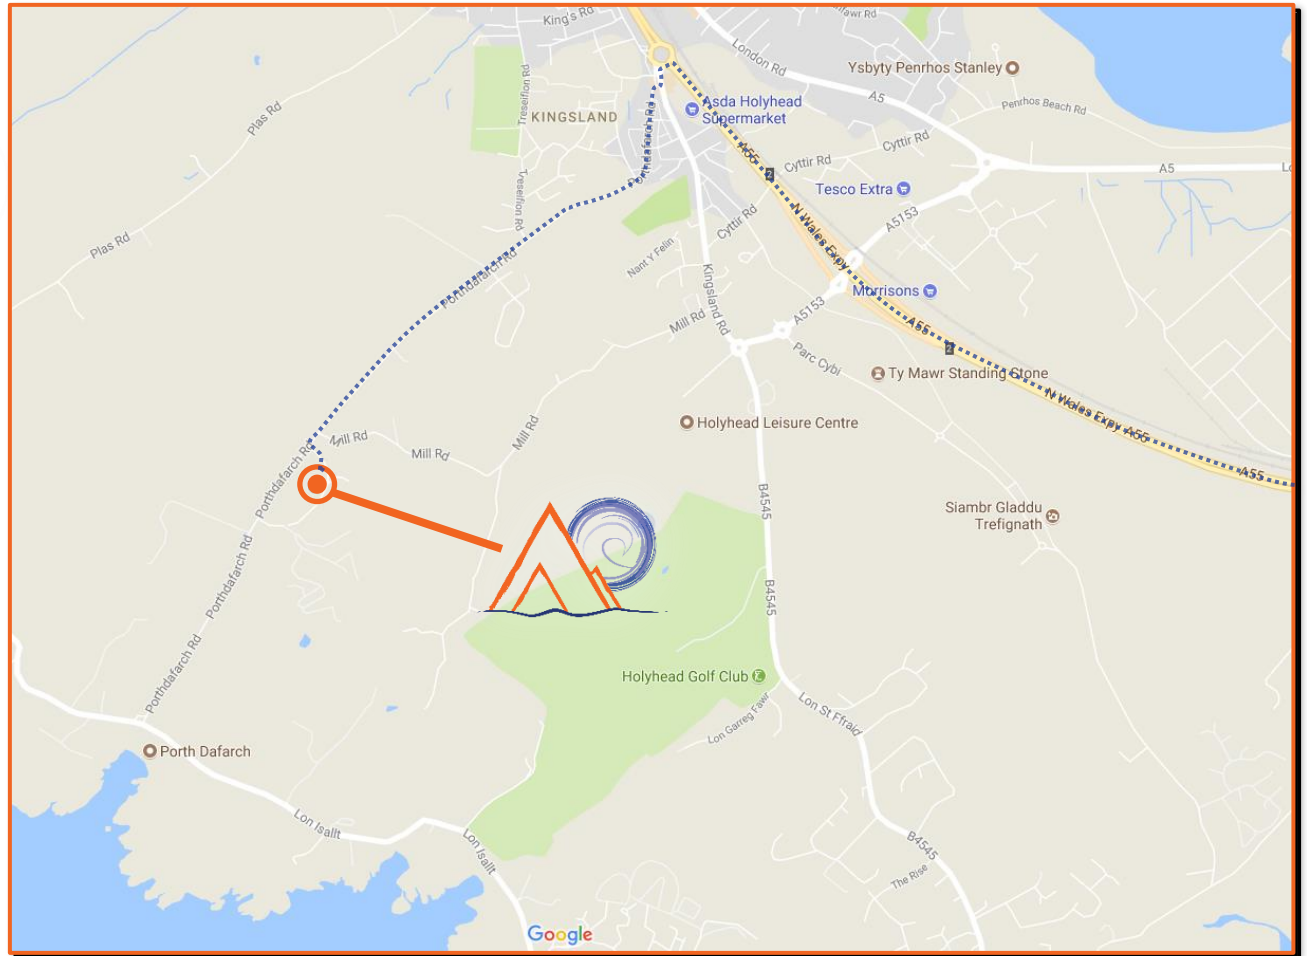

As you come into Holyhead, you'll reach a roundabout at the end of the dual carriageway. McDonalds is visible to your left and you'll enter a 30mph speed limit. **Keep left** as you approach the roundabout, then take the **first exit** off the roundabout signed 'Treaddur Bay'.

Once off the roundabout, immediately take the **first right** turn, signed 'Porthdafarach Road'. This turning is only 30 yards after the roundabout, and is just before the pelican crossing.

Follow 'Porthdafarach Road' down a terraced street, then out of Holyhead town for **one mile**.

Once out of the 30mph zone, continue on an unlit single lane road, you'll pass a country lane to the left, then only 50m beyond this is Anglesey Outdoors, marked with signs on the roadside. Please drive slowly on our grounds.

Sat Nav Warning: Our postcode covers a large rural area, and Sat Nav systems usually get confused at the end of the journey. We suggest following our directions once you reach the end of the A55.
